

GAYA ISLAND RESORT 5 *****

DISTINCTIVELY BORNEO

Tucked amidst protected mangroves, sheltered coral reefs and curled around the pristine sandy coast of Malohom Bay rests Gaya Island Resort.

Set on an island within the protected Tunku Abdul Rahman Marine Park, discover a sanctuary nestled in the hillside of an ancient rainforest with a stunning outline of Mount Kinabalu on the horizon.

With its youthful vibe and sun-dappled moments, this beachfront resort blends harmoniously with the natural environment featuring a collection of hillside villas with views that range from mangrove forests and the surrounding canopy to the outline of Mount Kinabalu. Villa interiors are contemporary and elegant, eco-luxury yet respectful of Sabahan elements.

The resort is committed to ecologically-sustainable practices to minimise its carbon footprint within the environment. Therefore, it is a walking resort with minimal motorised vehicles used for operational purposes.
